A45 - Final report

Notes:

Our results

Project website - will be established by project coordinator and will be ready to use before the project starts. It will be used as a storage for all project material such as photos, documents, videos, presentations etc. It will be also used as a main communication channel among partners. The website will be possible to use even after the end of the project to stay in touch.

The project planning calendar - will contain all project activities with their date of start and deadlines, all transinternational meetings and short term exchange of pupils. Calendar will be placed on website and also sent to all partners in printed form.

Project logo - designed by pupils and chosen by international voting. Logo will be used in all other project results and also will be used for decoration project products

International Dictionary - will be divided into 5 parts (Getting to know each other, Weather, Recycling, Disabilities, Healthy lifestyle). Each school will be in charge of some parts of dictionary and will propose ten words or/and phrases which will be translated by the rest of the partners schools and stored on project website. Also the school in charge will handmade given page in four exemplares and send them by traditional post to other partners. Each partner will compile their own handmade dictionary. But in the end all dictionaries will be the same.

Results of research - we have got two research Weather and Acid rain. The research activities will be conducted by pupils. The results will be documents from each research. They will contain all data from all partners countries from all the time the research last. The document will be published on project website. Each school will print it and shortened version for example leaflet will be distributed among local community, parents and pupils. The printed full version will be stored in school and local library of all partner schools. The research results will be also compiled to power-point presentation.

Multimedia presentation done by any multimedia way e.g. power-point presentation, video, etc. The topics are : Let's introduce own school, town and country, Recycling in our school and town, Weather forecast - each school will publish the best presentation on project website

School Questionnaires - will be provided on the project website as a Internet voting. Pupils from all schools will be invited to answer survey questions. Results of questionnaires will be published on the website. There are 5 school questionnaires with these topics: What do you know about our project partners?, Negative influence of human factor for weather and climate, How can we recycle to help our community?m How can we help each other and our disabled friends?m How can I help myself to feel good?

Poster competitions with various topics - will be done in various ways -
handmade or by ICT tools. The best poster chosen in school competitions will take part in
international competition proceeded by internet voting on the project website.

Earth day - Project day focused on monitoring greenery and recycling on local community.
Each School Erasmus club will write down a report with pictures and publish it on project
website

Let's help each other - Project day - we would like to prepare such activities to gain
knowledge how disabled people would like

My active day -Project day focused on healthy lifestyle and improving active approach..
Each School Erasmus club will write down a report with pictures and publish it on project
website

Worksheets based on project for specific school lessons

The herbal book - each school will choose 5 typical plants for their country and use it to
make a pages of herbal. Each school will receive 5 handmade herbal pages protected by
lamination from each partner . Everybody will compile own herbal.

The photobook - we consider photobook as a main project result. There will be published
important pictures, results of research and all important project matters.

Posters

Reports from short-term exchanges of groups of pupils

Bulletin - for each semi-term except of spring 2018 when will be replaced by final report.
The bulletin will be printed and distributed to pupils at school, parents and local community
